

Schlage Arrive™ Smart WiFi Deadbolt with Remsen trim and Remsen handleset in Matte Black

Convenience and control with the Schlage Home app.

Never wonder if you remembered to lock the door. With the Schlage Home app, you'll gain peace of mind knowing your smart lock is working to keep your home secure.

- Lock and unlock your door from anywhere
- Create and schedule unique access codes
- Use the history log to see activity at your lock
- Receive customizable notifications whenever a code is used
- Works remotely through WiFi or locally through Bluetooth
- Manage multiple locks – secure your home with the touch of a button
- Quick-view icons give a snapshot of each lock's battery life, WiFi signal strength, and built-in alarm status
- Manage multiple properties - choose from Map or Gallery View to quickly manage the status of all your properties at once
- Seamlessly pair with your favorite smart home ecosystem, including Ring, Alexa and Google Home
- Works with Schlage Encode Family and Schlage Arrive
